

54

Seated on the flybridge of the Princess 54, cruising through open water in supreme comfort, it is hard to imagine a more perfectly proportioned motor yacht.

Her form is definitively Princess with deep V hull, dynamic deck lines and expansive windows that combine in a stunning profile and afford panoramic views from within the light, airy main deck.

The imaginative layout provides a variety of locations in which to relax; the expansive flybridge with double

sunbed, convivial U-shaped seating and wetbar, plus the large cockpit and welcoming open plan saloon.

Here, there is ample room to relax in the comfort of the U-shaped settee, or to take in the views from the raised dinette. A cocktail bar and the beautifully finished and fully-equipped galley below provide the essentials for relaxed entertaining on board.

Below decks, the accommodation includes three large cabins plus an optional crew cabin aft.

The master stateroom, extending across the full beam, features vertical portholes on both sides as well as an en-suite bathroom with separate shower.

The forward VIP cabin, sumptuously upholstered, also has an en-suite, while the generous twin berth cabin features side-by-side bunks and provides full standing headroom.

Elegant and exquisitely finished, the 54 is widely recognised as the benchmark for her size range.
