

V62

The powerful sheerline of the Princess V62 alludes to a craft whose origins lie in high performance cruising. With a raked profile and powerful haunches, she personifies beauty with an exciting edge, but her manners and abilities at sea are impeccable.

She combines the performance and versatility of an enclosed hard top sports yacht with the advantages of large volume accommodation spaces.

The main deck saloon is elegantly finished with contemporary low-level furniture and seating, and is linked to a large open cockpit through triple sliding glass doors. This flexible entertaining space includes generous seating, a wetbar and barbecue and a central sunbed above the aft garage which can accommodate either a rigid inflatable or wetbike.

A hydraulic raise/lower platform is also fitted as standard for added convenience or for stowage of an additional tender.

Accommodations consist of a large full beam owner's stateroom with en-suite, complete with eight trademark vertical portlights, plus a VIP stateroom forward and a large twin cabin to starboard. Both staterooms have en-suite facilities and there is also an option of a single berth crew cabin aft.

The lower dining area provides seating for six opposite the well equipped galley and features a large LCD TV mounted inboard. The galley itself boasts a full height fridge freezer, twin bowl stainless steel sinks and plentiful storage for an extended stay on board.

The accommodation is spacious and light and is finished in a choice of natural fabrics and materials. The styling shares a modern edge with the exterior lines and complements perfectly a craft that is aimed at breaking new ground in sports yacht design. With class leading handling and performance in equal measures, the Princess V62 is an exciting addition to the V Class range.

PRINCIPAL DIMENSIONS

Length overall (incl. pulpit)	63ft 6in (19.39m)
Length overall (excl. pulpit)	62ft 8in (19.14m)
Beam	16ft 5in (4.99m)
Draft	3ft 8in (1.13m)
Displacement approx. (Twin CAT 1015mhp)	23.5 tonnes*
Fuel capacity	750 gallons (3409 litres)
Water capacity (incl. calorifier)	110 gallons (500 litres)

STANDARD EQUIPMENT

Power-assisted electro-hydraulic steering system
Bow thruster 155kgf
24v DC/240v AC electrical system
240v shore power with 80-amp float battery charger
220v/240v diesel generator (7kW)
Remote control electric anchor winch
Electro-hydraulic trim tabs with indicators
Autopilot
VHF with DSC R/T
Colour radar/chart plotter/GPS
Speed and distance log
Echo sounder with alarm

Remote control searchlight
Combination microwave/conventional oven/grill
Refrigerator (full height with deep freeze)
Icemaker
Cockpit wetbar with sink, top loading coolbox and electric barbecue
Vacuflush toilets with holding tank
Lower saloon LCD TV/DVD with surround-sound system
Deck saloon stereo CD/radio
Teak-laid transom platform/cockpit deck/stairs to side decks
Cockpit sunbed and cushions
Double opening stainless steel framed saloon door
Hard top with electrically operated sliding sunroof
Electro-hydraulically opening garage with storage for tender or wetbike
Transom door
Transom platform with electro-hydraulic raise/lower mechanism
Hot and cold transom shower
Tonneau cover

ENGINES – DIESEL

Twin Caterpillar C18	(2 x 1015mhp)	Speed range: 31-34 knots †
Twin Caterpillar C18 Acert	(2 x 1150mhp)	Speed range: 35-37 knots †

▼ SPECIFICATION

DECK FITTINGS

- Teak-laid transom platform and cockpit deck
- Reversible electric anchor winch with foredeck and helm position controls
- Self-stowing 40kg Delta anchor with 40m of chain
- Stemhead roller with automatic anchor launch and retrieve
- Bow rope storage locker
- Stainless-steel bow, stern and spring cleats (1 pair)
- Stainless-steel pulpit and guardrails
- Stainless-steel coachroof handrails
- Forecabin hatch
- White PVC rubbing band with stainless steel insert
- Full set of IMCO navigation lights
- Riding light
- Remote control searchlight
- Twin electric horns
- Fuel and water fillers
- Stern docking lights
- Foredeck freshwater deckwash

COCKPIT

- Self-draining
- U-shaped seating/dining area
- Cockpit lighting
- Tonneau cover
- Stainless-steel hand rails
- Optional telescopic passerelle 3.5m
- Cockpit wetbar including sink, with refrigerated coolbox, barbecue and waste bin
- Sunbed aft
- Electro-hydraulically opening garage with storage for tender or wetbike

COCKPIT (CONTINUED)

- Electric winch dinghy retrieval system
- Access hatch to lazarette stowage space with gas strut support
- Fender stowage
- Life raft stowage
- Access hatch to engine room with gas strut support
- 220/240v shore support inlet in locker
- Stowage lockers
- Transom door leading to bathing platform with hot and cold transom shower, foldaway swimming ladder and teak decking
- Transom platform with electro-hydraulic raise/lower mechanism

HELM POSITION

- Twin leather upholstered seats with manual adjustment on helm seat
- Instrument panel with full engine instrumentation, fuel gauges and electronic engine and gear shift controls
- Rudder position indicator
- Power-assisted electro-hydraulic steering
- Bow thruster control
- Remote control electric anchor winch
- Trim tab controls with indicators
- Autopilot
- VHF with DSC R/T
- Colour radar and GPS/chartplotter
- Speed and distance log
- Echo sounder with alarm
- Remote control searchlight
- High-speed compass
- Horn button

HELM POSITION (CONTINUED)

- Chart table
- Twin windscreen wipers
- Windscreen freshwater pressure wash
- Bilge pump controls with visual 'pump running' indicators

DECK SALOON

- U-shaped sofa with coffee table
- CD radio to deck saloon and cockpit speakers
- Cocktail unit starboard side incorporating refrigerator, icemaker, bottle & glass storage
- Overhead downlighters
- Double opening stainless steel framed saloon door
- Venetian blinds, curtains or sunscreens (mesh type) to all windows and doors
- Electric hardtop sliding roof

GALLEY

- Avonite (or similar) worktop
- 4-zone ceramic hob
- Extractor fan
- Combination microwave/conventional oven with grill
- Twin bowl stainless steel sink with Monobloc mixer tap
- Refrigerator (full height with deep freeze)
- Storage cupboards, drawers and lockers
- Waste bin
- Timber laid galley floor
- Optional washer/dryer

LOWER SALOON

- 'L' shaped sofa with dining table and two stools
- Cocktail cabinet
- Storage lockers
- LCD TV/DVD with surround-sound system
- Main electrical control panel with freshwater gauge
- Overhead downlighters

ACCOMMODATION

- All cabins are fitted with opening portholes and 240v power points
- All bathrooms feature opening portholes, fresh water vacuflush toilets with holding tanks and 240v shaver points

OWNER'S STATEROOM

- Large double bed with drawers below
- Dressing table
- Seating area
- Wardrobe and shelves
- Drawers, cupboards and storage lockers
- Overhead and individual berth lights
- CD Radio

En-suite shower/WC:

- Washbasin with Monobloc mixer tap
- Separate shower cubicle with automatic shower pump-out
- Extractor fan
- Mirror
- Storage lockers

FORWARD STATEROOM

- Large double bed with drawers below
- Wardrobe and shelves
- Dressing table
- Drawers, cupboards and storage lockers
- Overhead and individual berth lights
- Deck hatch with flyscreen and blind

En-suite shower/WC:

- Wash basin with Monobloc mixer tap
- Separate shower cubicle with automatic shower pump-out
- Extractor fan
- Mirror
- Storage lockers
- Access door from passageway as well as from stateroom

STARBOARD GUEST CABIN

- Two full-size single berths with storage below
- Wardrobe with shelves
- Storage lockers
- Downlighters and individual berth lights

INTERIOR FINISH

- Furniture finished in a choice of Serotina Cherry or Light Oak with either a satin or high gloss finish
- Galley worktop in choice of avonite (or similar) finish
- Bathroom worktops with avonite (or similar) finish
- Choice of upholstery fabrics, carpets and curtains from co-ordinated range
- Timber laid galley and helm floors

POWER AND DRIVE SYSTEMS

- 4 or 5-bladed propellers in nickel aluminium bronze (depending on engine option)
- Propeller shafts in Marinemet
- Bow thruster (155kgf)
- Engine room lighting
- Cockpit sole engine room access hatch with gas strut support
- Power-assisted electro-hydraulic steering
- Electro-hydraulic trim tabs with indicators
- Electronic engine controls
- Freshwater outlet point in engine room
- Engine room extractor fans with electronic time delay

ELECTRICAL SYSTEMS**24 Volt:**

- 4 x heavy-duty batteries for engine starting
- 4 x heavy-duty auxiliary batteries
- Engine alternators charge both banks of batteries via automatic switch charging system
- 1 x 80 amp float battery charger to charge both banks of batteries via an automatic switch charging system
- Remote battery master switches with control switch at main panel
- Circuit breakers on all circuits.
- 24-12v dropper for certain navigation and radio circuits

ELECTRICAL SYSTEMS**220/240 Volt:**

- 7kW diesel generator with own starting battery and specially silenced exhaust
- Shore support inlet in cockpit
- Generator/shore support change-over switch
- Powerpoints (240v) in: all cabins, galley (double) & saloon
- Polarity check system
- Earth leakage safety trip
- Shaver points in both bathrooms

FUEL SYSTEM

- Twin fuel tanks (in NS8 marine grade alloy) with interconnection system giving 750 gallon (3409 litres) capacity
- Fuel fillers on both side decks
- High-capacity duplex fuel filters/water traps with change-over cocks and visual contamination warning at console
- Remote fuel cocks by helm position
- Fuel gauges on helm console

WATER SYSTEM

- Water tank totalling 94 gallon (428 litres) plus 16 gallon (72 litres) hot water calorifier
- Water heated by engine and 240v immersion heater
- Automatic water pump with filter
- Main circuit breaker at switch panel
- Water-level gauge
- Deck filler

FIRE EXTINGUISHERS

- Automatic/manual override fire extinguishers in engine room and generator space
- Hand-operated fire extinguishers (6) in:
 - ▶ owner's stateroom
 - ▶ forward and starboard guest cabins
 - ▶ galley
 - ▶ lower saloon
 - ▶ deck saloon

BILGE PUMPS

- Automatic electric bilge pumps (with manual override) in:
 - ▶ forward accommodation
 - ▶ engine room
 - ▶ aft lazarette (6 in all)
- High-capacity manual bilge pump with valve system and suction points in same areas

OTHER ITEMS SUPPLIED**AS STANDARD**

- Set of cutlery, crockery and glasses
- Set of towels – 6x large, 6x hand
- Fenders (6) and warps (4)
- Ensign staff
- First aid kit
- Boathook
- Owner's manual and engine manual
- Quilted bedspreads for beds in all cabins
- Tool kit
- Emergency tiller
- Emergency porthole cover
- Manual winch handle
- Ship's document case
